Times/days	Monday	Tuesday	Wednesday	Thursday	Friday
6:15am-7am	Big pool Class		Big pool Class		Big pool Class
9-9:45am	Small pool class				
10-10:45am	Big pool class		Big pool class		Big pool class

Open recreational swimming (family swim, kids open swim):

*****Both pools are closed Monday thru Friday in the morning 6am-11pm for recreational swimming.**

Due to water aerobic classes, No open swim during this time.

*****Monday's and Wednesday's from 1-3pm Small pool is closed for Barretts Hospital. If they have patients scheduled we must move open recreational swimmers to the big pool or maybe the shallow end of the small pool. It depends on how many patients and what area they need. If the Hospital has no patients scheduled then the small pool is open, they will inform us the morning of that day and let us know.**

Lap swim:

*****Tuesday and Thursday 4:15-5:15pm all 3 lap lanes will be closed for swim team.**

Saturdays: 7-10am is lap swim and therapy use only, NO RECREATIONAL SWIMMING. Pools are closed from 10-12 for cleaning and pool adjustments.

Water Aerobics:

*****6:15-7am class/10-1:45am class- these classes are in the big pool. Different variations of exercises will be performed in the shallow-end and deep-end, using various types of pool equipment. This class is more of an intermediate or advance workout.**

*****9-9:45am class- This class is in the warmer therapy pool. Different variations of exercises will be performed. More of an arthritis and/or beginners class using various types of pool equipment.**
